

Discover How to Build **TRUST** in Your Teams with:

The Trust Prescription:

Building Stronger Teams in Healthcare

COPIC Annual Conference - April 28th, 2025

Transparency

Quell worries and doubts
through openness and sharing

Relationships

Building relationships over
results by connecting and
having open dialogue

Understanding

Listening with your ears, mind,
and heart to understand
other's perspectives

Shared Success

Clarifying what success looks
like for everyone involved and
aligning values and goals

Truth Telling

Setting aside judgement and
preconceived assumptions,
and utilizing candor and truth

LEAP Training & Coaching
Your Next Level of Greatness
